QUAN EACH	APPLIANCES (Type)	NEMA NUMBER	VOLTAGE	WATTS or AMPS		MOTOR HORSE POWER

1. We need an application for each truck/band stand/booth or special item.
2. Multi booth vendors are required to submit one application for each booth.
3. Bandstands are required to submit a drawing (not to scale) with the size of a bandstand and location and quantity of outlets required. Also, list quantity of 120 volt 20 amp circuits.
4. All booths shall contain the listed appliances ONLY. MO EXTRA APPLIACES. Our load calculations are made from these lists and we install only the required equipment for the load to be served. **DO NOT ADD APPLIANCES AFTER THE APPLICATION HAS BEEN TURNED IN!!**
5. Please submit the above information on two (2) weeks prior to the celebration to allow for changes if the load in an area exceeds the available power.
6. Personal extension cords allowed inside the booth only.
